CO-SIGNER APPLICATION INSTRUCTIONS

The co-signer application is to be completed with the co-signers' information, including social security number and salary amount. This is the co-signers information, not the prospective tenants.

Under the employer information, there must be a phone number and name to verify the income amount. If your employer uses a 900 number or a pay service for employment verifications, you will need to provide the direct number and the name of a supervisor that can verify this information. We do not use 900 numbers or pay services for verifications.

If you are self-employed, you are required to provide a copy of your tax return, pages 1, 2, and schedule C and/or E from last year's taxes showing your total income amount for the year.

IF ALL INFORMATION IS NOT FILLED OUT OR THE TAX RETURN IS NOT RECEIVED WITH THE APPLICATION, IT WILL NOT BE ACCEPTED.
